

*** SEPTEMBER 5, 2024 IS THE DEADLINE TO GET YOUR ENTRIES IN ***

SZABO FOOTBALL CONTEST RULES

This is it! Just pick a group of teams for the **entire season** (Playoffs included) and then sit back, watch and cheer. No worry about point spreads and no having to make weekly picks.

HOW THIS WORKS

Each player purchases a group of teams which **must equal a value of 50 points - no more, no less**. There is a value associated with each team which you can see below.

For those that aren't familiar with how this works, let's say you want both the **Chiefs at 20 points** and the **49ers at 15 points** (see team value chart below). It would cost you **20 points + 15 points** for a total of **35 points**. You would then have **15 points left** to spend on the rest of the teams in your group.

Every time one of your teams wins during the regular season you get **1 point**. In the post season things heat up. You get **3 points** for each playoff win starting with the wildcard games and ending with the Super Bowl. You also get **3 bonus points** for each wildcard team to enter the playoffs as well as **5 bonus points** for each team that wins a title (Division, Conference and Super Bowl Champion).

It's all over after the Super Bowl. The player(s) with the highest point total overall win. The prize structure will be determined based on the number of players we have. The entry fee for this contest is 100 tokens. **Your picks along with your tokens must be turned in no later than September 5, 2024 - no exceptions.**

Make sure you double check your team totals. They must add up to exactly 50. After all entries are received, You'll be able to view everyone's picks on the [Standings](#) page of this website.
